- Class A is only available for sale by advisors compensated by sales charges and distribution fees.
- Class RIA is only available through qualifying fee-based Registered Investment Advisors (RIAs) or Investment Advisor Representatives (IARs), whose fees are assessed separately and not from the client’s account.

Please select the appropriate Unit Class below.

- Class A                       Class RIA

Exchanges of units between Class A and Class RIA are not permitted by the Plan.

- Please select one or more Investment Options from the choices below. If you choose one Investment Option, please indicate 100% next to that portfolio. If you choose more than one Investment Option, please indicate the percentage amount of the contribution you would like invested into each of the selected Investment Options.
- Use whole percentages only. Your total Investment Option percentages **must equal 100%**.

**Choose Your Portfolio(s) (Required).**

**Target Enrollment Year Options:** You can select a portfolio that closely approximates the year when you believe funds will start to be withdrawn. Typically, families assume their child will need their college savings beginning at age 18. Once you've estimated when you expect the beneficiary will need to use their savings, select the target enrollment year portfolio that represents the date closest to your beneficiary's estimated date of enrollment in school. For example, if your child was born in 2021 and you anticipate they will begin college at 18 years of age, they would need their college savings starting in the year 2039 (2021 plus 18). This means you might choose to select the 2038-2039 Target Enrollment Year Portfolio. If there is no corresponding portfolio select the one closest to the enrollment year of the beneficiary.

**Risk-based Options:** The assets will remain in your selected portfolio(s) until you update your Investment Election.

**Individual Asset Class Options:** The assets will remain in your selected portfolio(s) until you update your Investment Election.

All future contributions will be allocated in the same manner as your initial investment allocation shown above. To make any changes, please sign on to [www.lonestar529.com](http://www.lonestar529.com) or call a Customer Service Representative at 800-445-GRAD (4723), option #4.

The LoneStar 529 Plan® (“Plan”) is administered by the Texas Prepaid Higher Education Tuition Board (“Board”). Orion Advisor Solutions, Inc. is the plan manager. The Plan and the Board do not provide legal, financial, or tax advice and participants in the Plan should consult a legal, financial, or tax advisor before investing. Fees and charges for the most recent quarter are available on our website at: [www.lonestar529.com/expenses](http://www.lonestar529.com/expenses).

Non-residents of Texas should consider whether their home state, or the beneficiary’s home state, offers its residents any tax or other state benefits, such as financial aid, scholarship funds, and protection from creditors, that are only available for participants in that state’s plan.

An account could lose money including the principal invested. No part of an account is a deposit or obligation of, or is guaranteed or insured by, the Board, the state of Texas, or any agency or agent thereof. Interests in the Plan have not been registered with or approved by the SEC or any state. Investors should carefully consider the investment objectives, risks, fees, charges, and expenses associated with municipal fund securities.
